Liedtext - Alt

Mad World

All around me are familiar faces Worn out places, worn
out faces
Bright and early for the daily races Going nowhere,
going nowhere
Their tears are filling up their glasses No expression, no
expression
Hide my head I wanna drown my sorrow No tomorrow, no
tomorrow

And I find it kind of funny I find it kind of sad

Find it kind of sad

The dreams in which I'm dying Are the best I've ever had

Best

I've ever had

I find it hard to tell you I find it hard to take

Find it hard to take

When people run in circles it's a very, very

Mad world don't you know it really is

Mad world don't you know it

Children waiting for the day they feel good

Happy birthday, happy birthday

And I feel the way that every child should

Sit and listen, sit and listen

Went to school and I was very nervous

No one knew me, no one knew me

Hello teacher tell me, what's my lesson?

Look right through me, look right through me

And I find it kind of funny I find it kind of sad

Find it kind of sad

The dreams in which I'm dying Are the best I've ever had

Best

I've ever had

I find it hard to tell you I find it hard to take

Find it hard to take

When people run in circles it's a very, very

Mad world don't you know it really is

Mad world don't you know it really is

Enlarging your world don't you know it really is
