Liedtext - Alt

The Logical Song

When I was young, it seemed that life was so wonderful.
A miracle, oh it was beautiful, magical
And all the birds in the trees,
they'd be singing so happily.
Oh joyfully, oh playfully watching me

But then they send me away to teach me how to be
sensible.

Logical, oh responsible, practical
And then they showed me a world where I could be so
dependable.
Oh clinical, oh intellectual, cynical

There are times...

There are times **when all the world's asleep,**
The questions run too deep for such a simple human
Won't you please, please tell me what we've learned
I know it sounds absurd
Please tell me who I am

I said, watch what you say or they'll be calling you a
radical,
a liberal, oh fanatical, criminal

Won't you sign up your name,
we'd like to feel you're acceptable
Respectable, oh presentable, a vegetable!
Oh take it, take it, take it, yeah

(Solo)

But at night...

But at night **when all the world's asleep**
The questions run so deep for such a simple human
Won't you please (Oh won't you tell me please)
Please tell me what we've learned (Can you hear me)
I know it sounds absurd (Oh won't you help me)
Please tell me who I am
Who I am
Who I am

(Instrumentales Zwischenspiel)

'Cause I was feeling so logical
D-d-d-d-d-d-d-digital
One, two, three, five
Ooooooh yeah
